endlessly and the workday feels like a race to react to other people's priorities faster, frazzled and distracted has become our default position. But what if the exhaustion of constant busyness wasn't mandatory? What if you could step off the hamster wheel and start taking control of your time and attention? That's what this book is about. As creators of Google Ventures' renowned design sprint, Jake and John have helped hundreds of teams solve important problems by changing how they work. Building on the success of these sprints and their experience designing ubiquitous tech products from Gmail to YouTube, they spent years experimenting with their own habits and routines, looking for ways to help people optimize their energy, focus, and time. Now they've packaged the most effective tactics into a four-step daily framework that anyone can use to systematically design their days. *Make Time* is not a one-size-fits-all formula. Instead, it offers a customizable menu of bite-size tips and strategies that can be tailored to individual habits and lifestyles. *Make Time* isn't about productivity or checking off more to-dos. Nor does it propose unrealistic solutions like throwing out your smartphone or swearing off social media. Making time isn't about radically overhauling your lifestyle; it's about making small shifts in your environment to liberate yourself from constant busyness and distraction. A must-read for anyone who has ever thought, "If only there were more hours in the day," *Make Time* will help you stop passively reacting to the demands of the modern world and start intentionally making time for the things that matter.

When You Get the Chance Tom Ryan, Robin Stevenson, 2021-05-04 Follow cousins on a road trip to Pride as they dive into family secrets and friendships in this contemporary novel, perfect for fans of David Levithan and Becky Albertalli. As kids, Mark and his cousin Talia spent many happy summers together at the family cottage in Ontario, but a fight between their parents put an end to the annual event. Living on opposite coasts, Mark in Halifax and Talia in Victoria, they haven't seen each other in years. When their grandfather dies unexpectedly, Mark and Talia find themselves reunited at the cottage, once again cleaning it out while the family decides what to do with it. Mark and Talia are both queer, but they soon realize that's about all they have in common, other than the fact that they'd both prefer to be in Toronto. Talia is desperate to see her high school sweetheart, Erin, who's barely been in touch since leaving to spend the summer working at a coffee shop in the Gay Village. Mark, on the other hand, is just looking for some fun, and Toronto Pride seems like the perfect place to find it. When a series of complications throws everything up in the air, Mark and Talia, with Mark's little sister Paige in tow, decide to hit the road for Toronto. With a bit of luck and some help from a series of unexpected new friends, they might just make it to the big city and find what they're looking for. That is, if they can figure out how to start seeing things through each other's eyes.

Embracing the Song of Expression: An Emotional Symphony within **Blog**

In some sort of eaten by screens and the ceaseless chatter of instantaneous transmission, the melodic beauty and psychological symphony produced by the prepared term often diminish into the backdrop, eclipsed by the persistent sound and disturbances that permeate our lives. But, nestled within the pages of **Blog** an enchanting literary value filled with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this charming masterpiece conducts readers on a psychological journey, skillfully unraveling the concealed tunes and profound affect resonating within each cautiously constructed phrase. Within the depths with this emotional analysis, we shall examine the book is central harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
