Paint with passion purpose and pleasure What do you want your landscape painting to say about this place this moment How do you use the visual vocabulary line shape value color edges to say it With this book your conversation with nature will direct your brush With an exhilarating synergistic combination of indoor and outdoor painting Kevin Macpherson shows you how to create personal poetic landscapes that capture the feeling of being there Learn how to Use a limited palette in a way that is more liberating than limiting Experience nature to the fullest and capture its vibrancy back in the studio through photos sketches and outdoor studies Cope with the fleeting qualities of atmosphere and light by establishing a value plan early and sticking with it Incorporate impressionistic touches of broken color to give your landscape a depth and vibrancy that enhances its realism Approach painting as a layering and corrective process that encourages non formulaic solutions Stimulating warm up exercises in the studio prepare you for your adventures outside while eight step by step demonstrations show you how to put these methods into action Throughout Macpherson s own light filled landscapes illustrate the power of these techniques Full of fresh air and fresh art Landscape Painting Inside and Out will guide and encourage beginners while challenging more accomplished artists to bring greater vitality and a more natural less formulaic finish to their paintings

Hawthorne on Painting Charles W. Hawthorne,1960-06-01 Look around and select a subject that you can see painted That will paint itself Do the obvious thing before you do the superhuman thing It may have been accidental but you knew enough to let this alone The good painter is always making use of accidents Never try to repeat a success Swing a bigger brush you don t know what fun you are missing For 31 years Charles Hawthorne spoke in this manner to students of his famous Cape Cod School of Art The essence of that instruction has been collected from students notes and captured in this book retaining the personal feeling and the sense of on the spot inspiration of the original classroom Even though Hawthorne is addressing himself to specific problems in specific paintings his comments are so revealing that they will be found applicable a hundred times to your own work The book is divided into sections on the outdoor model still life landscape the indoor model and watercolor Each section begins with a concise essay and continues with comments on basic elements general character color form seeing posture etc It is in the matter of color that students will especially feel themselves in the presence of a master guide and critic Hawthorne s ability to see color and more important to make the student see color is a lesson that will aid student painters and anyone else interested in any phase of art Although it does not pretend to be a comprehensive or closely ordered course this book does have much to offer It also represents the artistic insight of one of the finest painter teachers of the twentieth century An excellent introduction for laymen and students alike Time To read these notes and comments is in itself an education One cannot help but gain great help School Arts **Chinese Landscape Painting for Beginners** Audrey Quigley,1993 A book for beginners who want to learn about it Arts Activities Rock formations mountain crags waterfalls pines willows pagodas bridges lakes and mists 64 pages 126 b w illus 8 1 4 x 11
